

ADAMS COUNTY REGIONAL SEWER DISTRICT

Notice to Residents of Projects Extending Sewer Service

The Adams County Regional Sewer District has sent written notice to property owners who own property which may be affected by the Board's decision to extend sewer service to certain project locations in Adams County, Indiana. Property owners who own property in the following areas located in Adams County, Indiana, may be affected by the projects and the extension of service: Linn Grove following county road 700 south to the City limits of Berne, Preble east along 224 to the City limits of Decatur, Peterson north along 400 west to Preble, Barrington Woods, a portion of Winchester Road from the City of Decatur to Prestress Services, Inc., a portion of county road 750 North to approximately 4,000 feet west of Winchester Road, Clem's Lake area along county road 200 E, 800 N and Belmont road, a portion of county road 900 N between 000 road and approximately ¼ mile east of county road 100 east and a portion of county road 100 E to approximately ¼ mile south of county road 900 N. Specific project information is on file with the Board of Trustees of the Adams County Regional Sewer District. Information concerning the proposed project and the list of property addresses which may be required to connect or may be affected by the projects and extension of service can be found on the district's website at <https://www.co.adams.in.us/310/Projects>. See Project #3 Property Address List. The District's Office is located at 313 West Jefferson Street, Room 115, Decatur, IN 46733.

Please look for additional published notices for project area site meetings to be conducted by the District Superintendent to answer questions about the project and specific site areas and connections. The project area site meeting schedule will also be posted on the District website.
