OFFICIAL NOTICE to ADAMS COUNTY TAXPAYERS

The Adams County Treasurer’s Office was made aware of a potential scam that is occurring in Adams County.

Treasurer Ed Dyer reports that the office received a phone call from a taxpayer inquiring about their tax statement they had received online. The tax statement looked identical to the statements that are officially mailed to taxpayers. The email also added a “link to make payment”. And that is where the scam comes in.

Treasurer Dyer noted that the Adams County Treasurer’s Office does not solicit payment of property taxes by email or by phone. They always mail their tax statements by USPS.

This year’s taxes are scheduled to be mailed April 8, 2025. This will allow them to be in the taxpayers hands a full month before this years due date of May 12, 2025.

Treasurer Dyer urged Adams County taxpayers to be aware of this on-line solicitation of payment. He urged that you simply ignore this email, and specifically to definitely NOT click the link to pay.

He will continue to monitor this situation and give more details if they occur.

Respectively,

Edgar B. Dyer

Adams County Treasurer
