

## ADAMS COUNTY REGIONAL SEWER DISTRICT

### **Notice to Residents Concerning Project Extending Sewer Service And Public Hearing**

The Adams County Regional Sewer District has sent written notice to property owners who own property which may be affected by the Board's decision to extend sewer service to certain project locations in Adams County, Indiana. Property owners who own property in the following areas located in Adams County, Indiana, may be affected by the projects and the extension of service:

Contract A – Monmouth Force Main Improvements – Project located in Monmouth south of CR W 850 N from the existing LS down Eagle Road to N Piqua Road and then south along Piqua to Monmouth Road to Decatur's WWTP.

Contract B – CR W 1200 N – CR N 200 W – Project located along CR N 200 W at Sunnybrook Addition north along 200 W to Williams/CR W 1200 N and then west to Minnich Road, CR W 1175 N and CR N 350 W including the Wyneken Church and School.

Contract C – CR N 200 E – CR E 400 N – CR N 100 E – Project located along the aforementioned roads north of US 33, south of N Salem Road and east of High Street/CR N 100 E.

Specific project information is on file with the Board of Trustees of the Adams County Regional Sewer District. Information concerning the proposed project and the list of property addresses which may be required to connect or may be affected by the projects and extension of service can be found on the district's website at <https://www.co.adams.in.us/310/Projects>. See Project #6 Property Address List. The District's Office is located at 313 West Jefferson Street, Room 337, Decatur, IN 46733.

Please look for additional published notices for project area site meetings to be conducted by the District Superintendent to answer questions about the project and specific site areas and connections. The Board of Trustees of the Adams County Regional Sewer District will hold a Public Hearing on Wednesday, November 5<sup>th</sup> at 1:00 p.m. in the Commissioners Room of the Adams County Service Complex located at 313 W. Jefferson Street, Decatur, Indiana to discuss the project and hear public questions and comments.
